

# A Pirate Looks at 40

Intro: **G** **Gsus** **G**

Mother Mother ocean I have heard you call

Wanted to sail Upon your waters Since I was three feet tall

You've seen it all You've seen it all

Watched the men who rode you Switch from sails to steam

And in your belly You hold the treasures Few have ever seen

Most of 'em dream Most of 'em dream

Yes I am a pirate Two hundred years too late

The cannons don't thunder there's nothin' to plunder I'm an over-forty victim of fate

**D**

**Bm**

**Em**

**A7**

In Penny Lane there is a barber showing photographs

**D**

**Bm**

**Dm**

Of every head he's had the pleasure to know

**Dm**

**Bb**

**A7**

And all the people that come and go Stop and say hello

**D**

**Bm**

**Em**

**A7**

On the corner is a banker with a motorcar

**D**

**Bm**

**Dm**

And little children laugh at him behind his back

**Dm**

**Bb**

**A7**

**G**

And the banker never wears a mac in the pouring rain Very strange

**C**

**Em**

**F**

Penny Lane is in my ears and in my eye

**C**

**Em**

**F**

**A7**

There beneath the blue suburban skies

I sit an meanwhile back

In Penny Lane there is a fireman with an hourglass

And in his pocket is a portrait of the Queen

He likes to keep his fire engine clean It's a clean machine

Penny Lane is in my ears and in my eyes

A four of fish and finger pies In summer meanwhile back

Behind the shelter in the middle of a roundabout

A pretty nurse is selling poppies from a tray

And though she feels as if she's in a play She is anyway

Penny Lane the barber shaves another customer

We see the banker sitting waiting for a trim

And then the fireman rushes in from the pouring rain Very strange

Penny Lane is in my ears and in my eyes

There beneath the blue suburban skies I sit and meanwhile back

Penny Lane is in my ears and in my eyes

There beneath the blue suburban skies Penny Lane

# Lodi

Just about a year ago

I set out on the road

Seekin my fame and fortune

Lookin for a pot of gold

Things got bad and things got worse

I guess you will know the tune

Oh Lord stuck in Lodi again

Rode in on the Greyhound

I'll be walkin out if I go

I was just passin through

Must be seven months or more

Ran out of time and money

Looks like they took my friends

Oh Lord stuck in Lodi again

The man from the magazine Said I was on my way

Somewhere I lost connections I ran out of songs to play

I came into town a one night stand Looks like my plans fell through

Oh Lord stuck in Lodi again (Island Strum Each Chord)

If I only had a dollar For every song I've sung

Every time I've had to play While people sat there drunk

You know I'd catch the next train Back to where I live

Oh Lord stuck in Lodi again Oh Lord stuck in Lodi again

Oh Lord stuck in Lodi again Oh Lord stuck in Lodi again

**G7**

**C**

I'd like to be Under the sea In an octopus's garden in the shade

We would shout      And swim about      The coral that lies beneath the waves

Oh what joy      For every girl and boy      Knowing they're happy and they're safe

We would be so happy you and me      No one there to tell us what to do

I'd like to be      Under the sea      In an octopus's garden with you

In an octopus's garden with you

In an octopus's garden with you

In an octopus's garden with you

# Don't be Cruel

You know I can be found

sittin home all alone

If you can't come around

At least please telephone

Don't be cruel

To a heart that's true

Baby if I made you mad

For somethin' I might have said

Please let's forget the past

The future looks bright ahead

Don't be cruel

To a heart that's true

I don't want no other love

Baby it's just you I'm thinkin' of

Hey don't stop thinkin' of me

Don't make me feel this way

Come on over here and love me      You know what I want you to say

# It's an Ukulele Day

Intro:

It's a ukulele day      So pick up your uke and play

The world sure needs to smile

Put thoughts of war and hate away      They will lead your heart astray

Just strum with me awhile

It's just a silly notion      But like the great big ocean

This music touches every land

Lets cause a big commotion      Let notes be your emotion

Let's put a uke in every hand

It's a ukulele day ay ay ay ay ay ay

It's a ukulele day ay ay ay ay ay ay

There are concerts tenors and banjos

Baritones and little sopranos

A different uke for every one

There are clubs and meet-up places

You'll get to see new faces

Who knew the Uke could be such fun

It's just four little strings

The simple joy it brings

Is touching hearts in every land
